Education First - Safety Always

What can WSSCA do for you?

“WSSCA provides the finest school safety and security training in the state of Wisconsin, and it gets better every year.”

anonymous member

Get connected:

- Our members enjoy an ability to network with their peers focusing on school safety and security topics.
- Membership in WSSCA includes access to vendor resources related to school safety and security.

WSSCA is a non-profit and non-government organization that includes administrators, supervisors, teachers, building and grounds personnel, health and nursing personnel, safety administrators, school districts as well as private / public businesses through district, corporate and student memberships. The business of the association is conducted by a thirteen member Board of Directors with guidance from several advisors. Our mission is simple. Make schools safe!

WSSCA Annual Safety Conference

Coordinator of the Year Award

School Safety Certification Program Graduation

Help you get and stay compliant -

- Learn how Wisconsin Act 309 impacts you and your district.
- Learn how the Occupational Safety and Health Administration (OSHA) Standards apply to your district.

Education Opportunities -

- We offer a School Safety Certification program that can be completed in a time frame that fits your schedule.
- We offer many learning opportunities and lecture choices at our Annual Conference.
- We offer special training sessions throughout the calendar year at various locations state wide.
- We provide a monthly newsletter that addresses timely topics and offers helpful advice for anyone interested in school safety.
- We maintain our website (WSSCA.org) with timely information and topics on education opportunities and provide all members access to our members only portal with additional resources.
